

Application for MN State High School Mathematics League Roberts Award Scholarship

Wayne Roberts founded the Minnesota State High School Mathematics League in 1980 because he believed, and research confirmed, high school students would do better in the national American High School Mathematics Examination (now the AMC) competitions if they participated in local mathematics competitions. When Dr. Roberts chose to retire from the directorship of the League, it seemed fitting that a fund to provide opportunities for students to pursue additional mathematics training be established in his name.

Student Name _____

Female Male Age _____ Grade _____ Birthdate _____

School _____

Student Mailing Address _____

City _____ State _____ Zip _____

Parent/Guardian Name _____

Phone _____ Email _____

Parent/Guardian Name _____

Phone _____ Email _____

Phone (student) _____ Email (student) _____

Mathematics Course Background

List any high school level mathematics classes (Algebra I or above), location taken and the grade level you were in when taken. Use an additional sheet if needed.

Course title: _____ Where/Grade _____
